**SUPPLEMENTAL PETITION REQUESTING WITHDRAWAL  
OF ERRONEOUS NOTICE OF ABANDONMENT**

Sir:

Applicants received a Decision on Petition mailed  
January 20, 2004 (Paper No. 10) in the above identified  
application, a copy of which is attached.

The Decision indicates that evidence of not receiving  
an Office Action mailed December 4, 2002 was made in the form of  
a statement, however no statement that a review of the file for

the subject application was made but the Action not found and no submission of a copy of the docket records showing that the Action was not received has been presented. Applicants dispute this determination.

Nevertheless, despite their dispute, Applicants have provided such express statement by way of the accompanying Supplemental Declaration of Patricia J. Parker, in which Ms. Parker confirms Applicants did not receive that Action.

As such, Applicants respectfully request that the resulting Notice of Abandonment be withdrawn, the Action reissued and that Applicants then be given an opportunity to respond to the Action.

In view of the above, it is respectfully requested that any fees which may be due in connection with this Petition be waived. Nevertheless, should it be determined that such fees are in fact due, the Commissioner is hereby expressly authorized to charge any such fees to Deposit Account No. 12-2135. A duplicate copy of this Petition is enclosed herewith for that purpose.

Applicants' undersigned attorney may be reached by telephone at 860.571.5001 or by facsimile at 860.571.5028. All correspondence should continue to be directed to the address given below.
